Have you been craving something new? Let CRAFTBOSTON help! This year CRAFTBOSTON is pleased to announce that 35% of the 200 artists in the show are new exhibitors and 59 of them are from outside of Massachusetts. CRAFTBOSTON has continually been at the forefront of the contemporary craft movement and has shown some of the most exciting work made in the field today from across the country and internationally. With a high number of new artists and an impressive group of returning artists, CRAFTBOSTON is an amazing opportunity for creative shoppers, collectors and those who appreciate the finer things in life to browse and shop!

CRAFTBOSTON is the premiere New England exhibition and sale of contemporary art, craft and design. The show will feature 200 of the most outstanding artists of our time, showcasing one-of-a-kind and limited-edition pieces in baskets, ceramics, decorative fiber, wearables, furniture, glass, jewelry, leather, metal, mixed media, paper and wood. Additionally, CRAFTBOSTON features work by emerging artists from leading schools and universities, an artist mentor program, a book seller, an educational lecture series, tours for guests who are blind and visually impaired and other special interest groups, and informational booths promoting non-profit craft organizations.

Visit our website <http://www.craftboston.org> and look for the New Exhibitor logo on artists' web pages and, while at the show, look for the RED signs to meet the new artists in person.
